# Different Bollards Size Chart

		Thickness (mm)					Height
		2.0	3.0	4.0	5.0	7.0	
Diameter (mm)	76	■	■	■	■	■	■
	89	■	■	■	■	■	■
	102	■	■	■	■	■	■
	114	■	■	■	■	■	■
	141	■	■	■	■	■	■
	159	■	■	■	■	■	■
	168	■	■	■	■	■	■
	219	■	■	■	■	■	■
	273	■	■	■	■	■	■
	324	■	■	■	■	■	■

600 ~ 1500mm

# Other Features

Custom Engraved Logos  
& Machined Grooves

*Because we value our customer's input, customers can choose to engrave their own logo or municipality emblem on the bollards to add some flare into them. Other decorative options also available like custom machining of grooves to make it all suit the installation*
